SUBJECT: **FUNDING AUGMENTATION FOR BE WELL NOW INSTITUTE,  
CONTRACT NO. H-702010**

This is to inform you that we plan to amend the County estimated maximum obligation and corresponding maximum allocation for Be Well Now Institute using the delegated authority granted by the Board on May 31, 2005 (Board Agenda Synopsis #42). This agency's agreement provides flexibility to adjust funding allocations, and contains provisions that authorize the Director of Public Health or his designee to make such funding changes.

I am recommending this funding increase based on the Sobky v. Smoley court litigation which allowed agencies to request additional funds to cover persons eligible for Drug/Medi-Cal services. The current and proposed funding amounts are as indicated in the following attachments:

Attachment 1 - Description of the services affected by this amendment  
Attachment 2 - Agency's current and proposed funding amounts

If you have any questions or need additional information, please let me know.
